PROFILE

An enthusiastic and professional Junior Front End Developer, with a broad range of skills acquired in Graphic Design, Web Development and the development of promotional materials. Quick to grasp new ideas and concepts, and to develop innovative and creative solutions to problems. Able to work well on own initiative and can demonstrate the high levels of motivation required to meet the tightest of deadlines. Even under pressure, possesses a strong ability to perform effectively.

OBJECTIVE

Currently looking to embark on a new and challenging career within the field of Front End Development and secure a role which would enable the use of existing skills while allowing the opportunity for continued professional development.

Dariusz Franczak

Junior Front-End Developer

CAREER SUMMARY

2014 - 2016 **Octink, Brendford**

Web Developer / Prepress Operator / Artworker

Web Development Responsibilities:

- Build and maintaining web-to-print online stores based on red-tie.com software solution using HTML5, CSS3, jQuery and Javascript.

Studio Responsibilities:

- Creating Artworks using Adobe CS package.
- Developing proof documents for clients prior to the final version before making any amendments and then proceeding to the final version.
- Interpreting a range of briefs from either the Studio Manager or individual Artworkers.
- Setting up and pre-pressing print-ready files using Caldera Rip and ESKO Automation Engine.
- Matching and maintaining print colours to specific colour references.
- Creating highly detailed print sheets for artwork to be submitted and processed by Print Operators.
- Liaising with print rooms directly for more complex jobs.

2004 - 2014 **Target Promotions, Croydon**

Graphic Designer / Prepress Operator

- Managing the design and print of graphics for exhibition Pop Up and Roll Up Stands, Banners, Wall Papers and Posters.
- Utilising creative flair and software including Adobe CS Package, QuarkXPress, Onyx RIP to develop production process for marketing and promotional products.
- Responsible for carefully editing and preparing print ready artworks across a diverse range of media forms.
- Working in close collaboration with the marketing team to deliver customer requirements and maintain high quality standards.
- Monitoring work progress and completing quality checks as well as dispatch dates and delivery details.

2003 - 2004 **Aligator Signs, Croydon**

Graphic Designer

- Delivering comprehensive support to facilitate the completion of vinyl and car sign development and large format printing.

2001 - 2003 **Gadget Studio**

Graphic Designer / Prepress Operator

- Utilising a broad range of creative software to design books, leaflets, brochures, posters and labels.

2000 - 2001 **Express Exhibition**

Graphic Designer

1999 - 2000 **Hetman Printhouse**

Graphic Designer / Prepress Operator

1998 - 1999 **Prescol Outdoor Media Agency**
